

INSTRUCTIONS FOR MOVING OUT The flat must absolutely be surrendered no later than on the last day of the tenancy agreement.

1. **Get an envelope for the surrendering of the flat from the office**, fill in your contact details and place the key(s) to be returned in the envelope.

2. **Clean your room/flat and the flat-specific storage room carefully!** If the flat is not properly cleaned, it will be cleaned to a proper condition by the landlord, and the costs will be deducted from the collateral. Therefore, it is good to agree with your flat mates on cleaning, because if the shared facilities (kitchen, toilet, bathroom, hall and flat-specific sauna) have not been cleaned, the costs will be divided between the tenants of the flat and charged from the collateral of each! At Koskisoppi, there is a waste container behind the E-house, into which you can take waste.

3. **Return the key of your room / the keys of your flat, provided with a key ring, to the office in a key return envelope.** Outside the office hours, you can drop the envelope through the letter drop in the office door. Note! If you want to be present in the inspection carried out open moving out, phone the maintenance man of the building and make an agreement on the time of the inspection (return the key to the maintenance man in the envelope). The tenant must not necessarily be present in the inspection carried out open moving out.

4. **Report your address change to the population register** by calling the service number 0295 535 535 at least three days before moving out.

5. **We will charge a penalty of 30 € if you do not follow the instructions for moving out.**
